# Blood Drive administered by the American Red Cross

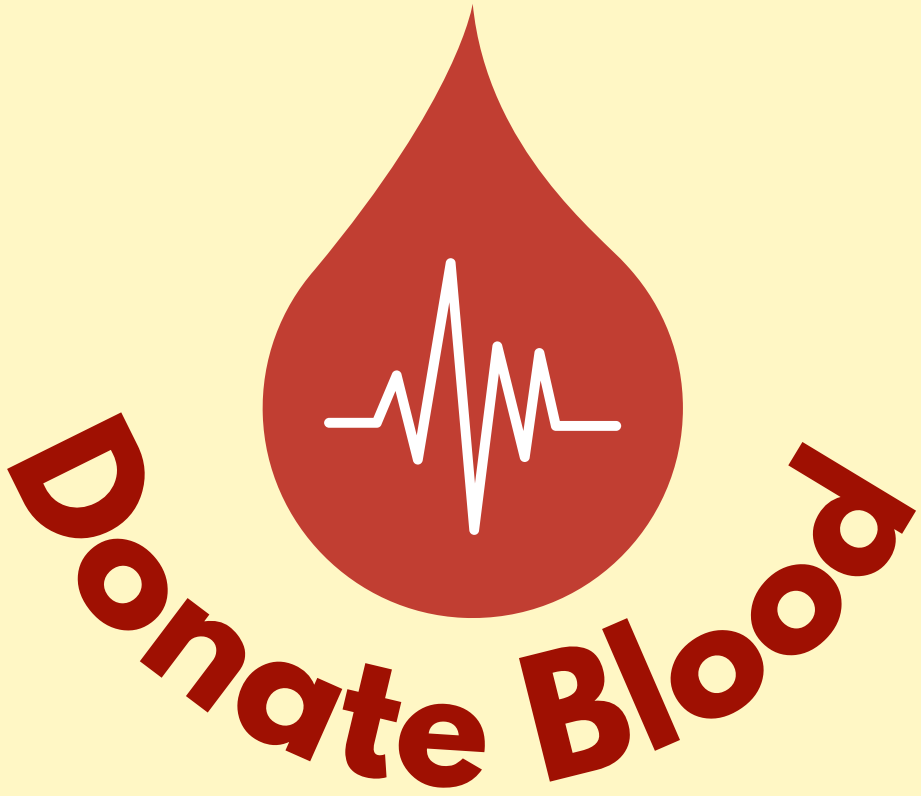

## Wichita, March 9, 2027
## During the Kansas Transportation Safety Conference, Hyatt Regency

**Blood donation strengthens Post-Crash Care within the Safe System Approach**

- Supports the availability of life-saving blood for emergency and prehospital transfusions
- Helps control severe bleeding and reduce preventable trauma deaths
- Improves lives saved and survival after road crashes

**At least 30 committed donors needed to host the drive!**

**email: tracy.statton@ks.gov to donate**

This event is offered for attendees and guests of the 2027 Transportation Safety Conference, but not paid for by KDOT, KU or NHTSA.
