

Kansas Fire Service Training Commission Meeting
St. Andrews Office Facility
Wednesday August 5, 2026 - 10:00 AM

Microsoft Teams meeting

Join: <https://teams.microsoft.com/meet/226634328188534?p=k76zsf3SGALClw76Ki>

Meeting ID: 226 634 328 188 534

Passcode: Md3i4T9U

1. **Call to Order/Roll Call/Affirmation of Quorum:**
2. **Approval of Minutes** of May 13, 2026, Kansas Fire Service Training Commission Meeting
3. **Public Forum-**
4. **Consent Agenda-** The Consent Agenda contains items which might require action by the Fire Service Training Commission but are generally routine items not requiring the Commission's discussion. Usually, a single motion will approve all items on the Consent Agenda, including any resolutions. However, a Fire Service Training Commission member may remove any item on the consent agenda and that item will be discussed and voted upon separately.
 - a. There are no items on the Consent Agenda
5. **Chair's Report –**
6. **Vice Chair's Report –**
7. **Director's Report:** See attached
8. **Business**
 - a. **Old Business:**
 1. FSTC Appointment Legislation (K.S.A. 76-327d)
 - b. **New Business:**
9. **Future Agenda Items**
10. **Adjournment**

Call for adjournment

Kansas Fire Service Training Commission Meeting
St. Andrews Office Facility
Wednesday May 13, 2026 - 10:00 AM

Attending Commission Members: Darin Myers, Mike Roosevelt, Mark Engholm, Dan Romine, Jason Lankas, Kevin Webster, Bonnie Johnson, Pat Dunn

Absent Commission Members: Justin Ducey, Bill Waln, Eric Voss

Attending Jayhawk Global Staff: Jenn Johnson, Ken Fowler, John Knipsel, Ronnie Sellens, Jolienne Lummis, Josh Casey, Nicole Bettles, Lucas Everett, Mike Brockwell, Laura Montgomery, Kelly Lewis

Guests: James Zeeb

1. **Call to Order/Roll Call/Affirmation of Quorum: 10:06am**
2. **Approval of Minutes** of February 11, 2026, Kansas Fire Service Training Commission Meeting

Motion Dan Romine
2nd Kevin Webster

Passed unanimously

3. **Public Forum-** None
4. **Consent Agenda-** The Consent Agenda contains items which might require action by the Fire Service Training Commission but are generally routine items not requiring the Commission's discussion. Usually, a single motion will approve all items on the Consent Agenda, including any resolutions. However, a Fire Service Training Commission member may remove any item on the consent agenda and that item will be discussed and voted upon separately.
 - a. There are no items on the Consent Agenda
5. **Chair's Report** – We need to appoint new Chair and Vice Chair.
6. **Vice Chair's Report** – Will not be running for Chair position due to retirement. Push in Andover to engage with AI. Possibly revisit the time and dates for meetings.
7. **Director's Report:** See attached

Mike mentioned we need to make sure it is clear we are increasing certification fees.

8. Business

a. Old Business:

1. FSTC Appointment Legislation (K.S.A. 76-327d)

- Legislation went through the Senate, thanks to Mark for pushing it through. Focus is on property tax issues. Senator Thompson did not have the time to get it done. Wasinger has indicated she will prefile it for next session.
- Do we need to make any changes? May want to revisit the document.
- Darin will continue to work on getting it on the prefile list.

b. New Business:

1. Election of Chair and Vice Chair

- Mike called for nominations
- Nominate Patrick Dunn for Chair, Community Colleges
- Nominate Kevin Vice Chair, Pro Chiefs

Motion to accept the nominations Mike Roosevelt as presented

Motion Jason Lankes

2nd Mark Engholm

Passed unanimously

Patrick Dunn will sit as Chair

Kevin Webster will sit as Vice Chair

9. Future Agenda Items

- a. Jenn/Joliene will send out poll about new date/times for future meetings.
- b. Pat and Kevin will look at August dates and let everyone know what the change will be.
- c. Update on Legislative process

10. Adjournment

Call for adjournment

Motion Mike Roosevelt

2nd Pat Dunn

Passed unanimously

Next Meeting date to be determined

Reminder – November meeting will be on Thursday the 12th due to the holiday on Wednesday the 11th.

KFRTI State of the Institute – August 2026

Director's Report

Introduction

The Kansas Fire & Rescue Training Institute (KFRTI) continues to evolve and expand its impact across the state. I am pleased to report that the Institute is currently fully staffed, positioning us well to continue advancing our mission of providing high-quality fire and emergency services training and certification programs.

Staff Changes

Internal Promotion

Lucas Everett has assumed the role of **Special Operations/Hazardous Materials Program Coordinator**. Lucas brings valuable experience and expertise that will support the continued growth and development of our Special Operations and HazMat programs.

New Hires

KFRTI recently welcomed two new Program Coordinators to the Fire Fighter Program:

- **Chris Kelly** joins the Institute following a distinguished career as a fire service instructor with Johnson County Community College.
- **Nick Wright** brings extensive experience in both law enforcement and the volunteer fire service.

We are excited to add their knowledge and experience to our team and look forward to the contributions they will make to our programs and stakeholders.

Program Updates

Incident Safety Officer

The newly accredited **Incident Safety Officer** course, recognized by both

IFSAC and **Pro Board**, completed an initial pilot offering in Salina in late July. Participant evaluations were highly favorable, while also providing valuable feedback to guide future refinements. The next course offering is scheduled for September in Andover.

Live Fire Instructor

The recent **Live Fire Instructor** course held in Pittsburg received positive feedback from participants and demonstrated strong interest in the program. The next offering is scheduled for October in Lawrence.

Special Operations Program

The Special Operations Program staff recently conducted training activities at **Big Brutus** in West Mineral, Kansas, providing an excellent opportunity to enhance operational capabilities and explore unique training applications in a specialized environment. Additional information and photographs are available through KFRTI's social media channels.

<https://www.facebook.com/media/set/?vanity=kufire&set=a.1875111550332154>

Online Fire Fighter I

Development of the **Online Fire Fighter I** program remains on schedule, with launch anticipated this fall. Additional program information is available in the attached overview. This new format will add a certification opportunity for Fire Service Support Personnel. We expect this to be valuable for our volunteer and combination departments.

Certification Program

Certification staff continue to make significant progress in transitioning to computer-based testing utilizing the **Kite** assessment platform. The program remains on track to achieve **100% computer-based certification testing by January 1, 2027**, representing a major advancement in accessibility, efficiency, and testing administration.

Bachelor of Science in Fire and Emergency Services Administration

Development of the **Bachelor of Science in Fire and Emergency Services Administration (FESA)**, in partnership with the **School of Public Affairs and Administration**, continues to move forward successfully.

Recent progress includes:

- Development of program outcomes and assessment measures.
- Identification of FESA instructional faculty.
- Completion of the inaugural faculty planning meeting.
- Approval and submission of the FESA BAS pre-proposal into the university review system.

The proposal will be reviewed by the **Academic Program Coordinating Committee (APCC)** later this month. During its review, APCC will provide guidance regarding:

1. Opportunities for collaboration among university units.
2. Potential duplication or overlap with programs offered through KU or other Kansas Board of Regents institutions.
3. Faculty expertise and resource availability.
4. Federal compliance requirements, including Regular and Substantive Interaction (RSI), engaging instructional practices, and high-impact learning experiences.
5. Program quality as measured through curricular best practices and comparison with similar programs at peer institutions.

Events

Camp Fury KC 2026

The fifth annual **Camp Fury KC** welcomed **28 participants** for a weeklong immersive experience focused on careers in public safety. Throughout the program, participants engaged with public safety professionals from agencies across the Kansas City metropolitan area, developed leadership and teamwork skills, and gained firsthand exposure to career opportunities in the field.

The week concluded with a graduation ceremony celebrating their accomplishments and personal growth. Participants left the program with increased confidence, resilience, and a deeper understanding of the public safety profession.

<https://www.facebook.com/campfurykc/>

Fire Rescue International (FRI)

KFRTI will participate in **Fire Rescue International (FRI)** in Kansas City during the week of August 10. The Institute's training tower prop will be displayed at Bartle Hall in partnership with the **Kansas City, Missouri Fire Department**, highlighting special operations capabilities and training opportunities.

KFRTI staff will be present throughout the conference and will host a vendor exhibit booth to engage with attendees and showcase Institute programs and services.

North American Fire Training Directors (NAFTD)

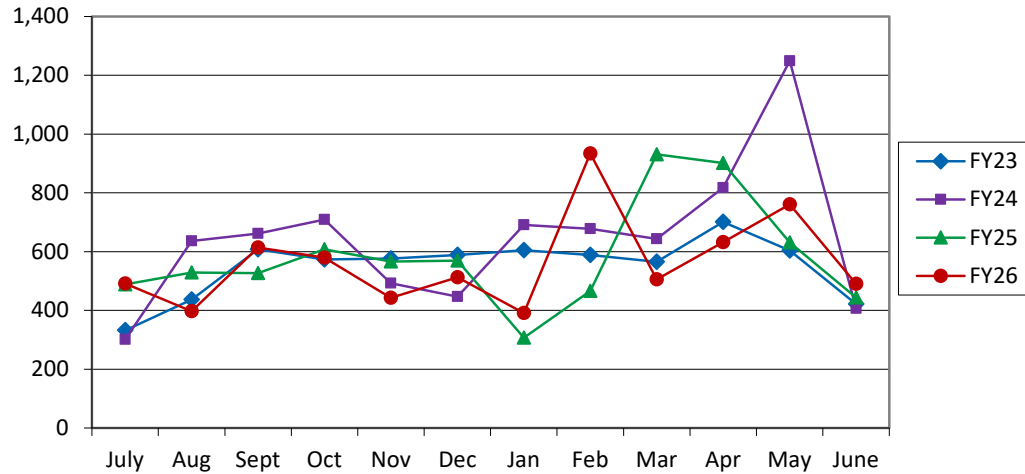

In September, KFRTI staff will attend the **2026 North American Fire Training Directors (NAFTD) Conference** in Baton Rouge, Louisiana.

This year's conference provides an important opportunity for our team to observe conference operations and identify best practices in preparation for hosting the **2027 NAFTD Conference in Lawrence, Kansas**. The knowledge gained will support planning efforts and help ensure a successful event for attendees from across North America.

Closing

KFRTI remains committed to continuous improvement, innovation, and excellence in serving Kansas firefighters and emergency responders. Through strategic program development, new educational opportunities, technology enhancements, and strong partnerships, the Institute is well positioned for continued success and growth in the coming year.

ENROLLMENT PREREQUISITES

Per NFPA 1010 (2024) Ch. 4 — all requirements must be met prior to Q1 enrollment:

Academic & Age

- Educational requirements as established by the AHJ
- Age requirements as established by the AHJ
- **Must be 18 years of age to participate in KFRTI-sponsored Live Fire Training**

Incident Command

- ICS-100 and ICS-700 certificates on file with KFRTI prior to Q1
- Traffic incident management — NFPA 1091 or AHJ-approved equivalent

HazMat

- HazMat Awareness — NFPA 470 §9.2 completed prior to Q1
- HazMat Operations — NFPA 470 §9.6 completed prior to Q1

Authorization

- Department chief or authorized officer signature on KFRTI registration form
- Coursework starts anytime. KFRTI-scheduled skills events must be completed in order (Q1–Q4); in-house departments set their own schedule and instructor sign-off

HazMat Awareness & Operations is available as a separate standalone KFRTI course and must be completed before Q1 enrollment.

EFFECTIVE: JULY 1, 2026 | NFPA 1010 (2024)

PROGRAM OVERVIEW

The KFRTI Pathways to Certification — Firefighter I Program delivers academic content online and brings in-person skills training directly to departments across Kansas through four sequential quarterly weekend events.

Course Structure

Enrollment	Open — self-paced, no cohort start dates or deadlines
Online Modules	Asynchronous; completed at the student's own pace between quarterly events
Skills Events	Four quarterly weekends (Q1–Q4) at rotating regional host sites
Skill Days	6–8 days across Q1–Q4
Final Exam	Proctored written exam — minimum passing score 70%
Final Skills	In-person practical exam, Q4

Design Principles

- Online-first cognitive delivery — flexibility & accessibility
- Early and repeated hands-on skills exposure — not end-loaded
- Progressive skill reinforcement across all four quarters
- Audit-defensible alignment to NFPA 1010 (2024) JPRs
- Instructor-led evaluation using standardized skill sheets and task books

Who This Program Serves

Designed for volunteer and combination department firefighters across Kansas who cannot travel long distances or commit to a fixed-cohort course schedule.
